Sponsorship Guide

THE AWARDS

Over the past 25 years the Tech Titans Awards has become one of the largest and most prestigious celebrations of technological achievement in North Texas.

This Oscar-style awards program has given sponsors an ideal opportunity to recognize the individuals and companies that have built the region's tech industry. Tech Titans Awards sponsorship also affords a company the opportunity to promote their products and services to more than 500 technology company executives and their guests.

This year's Tech Titans Awards will be held:

Friday, September 12, 2025

5:00 – 10:00 pm

Hyatt Regency at Stonebriar Mall

2615 Preston Road

Frisco, TX 75034

WHY SPONSOR?

Being a sponsor of the Tech Titans Awards puts the spotlight on your company at an event that attracts the region's most influential tech leaders. It brings prestige to your company, adds to your company's brand visibility and awareness, shows industry leadership and credibility, gives you lead generation and business development opportunities, builds your professional network, enhances community engagement and positive brand association.

This will be the 25th Annual Awards presentation and the evening's festivities are being built around this very special occasion. The evening begins with a reception in the foyer of the Regency Ballroom beginning at 5:00 pm with drinks and appetizers. The reception continues as the guests move into the ballroom where they will have the opportunity to sample carving stations of food while continuing to network. The presentation of the 14 awards takes place from 7:00 – 9:00 in a fast-paced, upbeat program. A fabulous After Party in the ballroom and foyer closes out the evening from 9:00 – 10:00.

PROGRAM ADVERTISING

The event's printed program will include information on this year's finalists, past award recipients, the bios of the Hall of Fame inductee and the Corporate CEO recipient. The program will be distributed to approximately 500+ technology executives and decision makers in attendance from around DFW attending the awards presentation. This makes the printed program a high-value marketing opportunity for companies wanting to advertise to this elite audience.

Any company may advertise in the program; however, sponsors receive priority ad placement. Sponsors that receive an ad as part of their benefits may upgrade the size of their ad by paying the difference between their upgraded ad size and the listed value of the ad included with their sponsorship.

Ads must be submitted by Friday, August 15 to be included in the program.

Ad Rates = 1/4 page \$500; 1/3 page \$1000; 1/2 page \$1550; Full Page \$2500
